

Rockdale Water Resources County-Wide Water and Wastewater Audit

Rockdale County is partnering with ISI/Water Company of America to perform a county-wide audit of all water and wastewater connections. This project will assist in verifying and documenting all county water system assets.

What to Expect

- ✓ Authorized representatives will be working in your neighborhood
- ✓ ISI/Water Company of America will locate & verify water/wastewater assets **ONLY**
- ✓ Residents will **NOT** be asked for any personal information

Important Information

- ✓ ISI/Water Company of America will begin the audit on March 16th
- ✓ ISI/Water Company of America does **NOT** conduct any repairs or installations
- ✓ All authorized personnel will be identifiable and carry county issued identification
